ORDER

23-cv-7871 (ER)

RAMOS, D.J.:

The Court issued an Opinion & Order on March 31, 2025, dismissing the complaint and closing the case. On April 3, 2025, Plaintiffs requested leave to amend the Complaint, which the court granted on April 4, 2025. On April 25, 2025, Plaintiffs requested clarification from the Court regarding whether the March 31, 2025 Opinion & Order constituted a final order, given that leave to amend the complaint was granted. If it did, Plaintiffs, in a letter, requested that the Court issue an order to that effect, to which Defendants agreed in a letter response on April 29, 2025. Accordingly, with agreement among the parties, the Court determines that the March 31, 2025 Opinion & Order does not constitute a final judgment that would trigger the 30-day deadline to file a notice of appeal.

It is SO ORDERED.
